

Pama 50' Sedan
Standard Equipment List

1. Specifications:

L.O.A _____ 50' 6"
Beam _____ 15' 4"
Draft _____ 3' 2"
Displacement _____ 42,000 Lbs
Fuel Capacity _____ 600 G
Fresh Water Capacity _____ 250 G
Engines _____ 500 H.P Yanmars x2
Generator _____ Northern Lights 8Kw, w/sound shield

2. Hull Superstructure and Decks:

1. Hand-laid, gel coated FRP hull
2. Solid fiberglass hull bottom, first 3 layers with acid proof resin
3. Honeycomb cored hull sides above water line, vacuum bagged
4. Deck and fly bridge honeycomb cored reinforcement, vacuum bagged
5. Epoxy bottom paint, anti-fouling and osmosis treatment
6. Foam cored FRP stringers
7. Spare prop holders
8. Spare shaft tube

3. Engine Room & Bilge

1. Twin diesel engines, fresh water cooling, marine gear, flexible engine mounts
2. S/S engine beds
3. FRP oil pan
4. Engine synchronizer
5. S/S 2" shaft
6. Bronze I strut and cutlass bearings
7. Dripless shaft logs
8. Four-blade propellers
9. Racor fuel filters: dual 1000FGs for engines, and 220FG for generator
10. Bronze basket strainer
11. FRP decking floors
12. 8Kw generator
13. FRP generator muffler
14. S/S rudder and rudder post
15. Custom ventilation system
16. Bronze thru-hulls, w/valve, double clips

17. Aluminum fuel tank x 2, w/gauge, sight tube, inspection hatch
18. Fuel tank shut off valves
19. S/S fresh water tank, w/sight tube
20. Fresh water tap in engine room, w/10' hose
21. Color coded copper tubing for fuel, cold/hot water
22. Color coded copper tubing
23. 12V fresh water pump, w/accumulator tank
24. One 20 G stainless hot water tanks, with heat/exchanger
25. Batteries, w/FRP boxes:
 - a. 2 x 200Amp Hour, 8D engine start batteries
 - b. 1 x 120Amp Hour generator battery
 - c. 5 x 200Amp Hour house batteries
 - d. 2 x 120Amp Hour for thruster
26. Battery select switch
27. True Charge 40 Plus 3 bank battery charger
28. 12V bilge pump, Rule 1500 x 4w/float switch, 2 x high water level alarm
29. Fluorescent lights
30. Intercom: fly bridge, pilothouse, mater stateroom, VIP room
31. Auto fire extinguisher system, w/alarm light
32. Heavy duty FRP stringers
33. White Polyester painted bilge
34. Common draining system to sides of hull for: sink, deck, shower, bilge, etc.
35. Under water exhaust system, w/by-pass to transom sides
36. Oil change pump kit for engines and generator
37. Tool cabinet
38. Stainless steel engine mounts

4. Electrical System

1. Color coded and marked wiring
2. AC220v or 110v circuit breaker panel, w/voltmeter, amp meter
3. DC 12v circuit breaker panel, w/voltmeter, amp meter
4. Full engine instruments for dual station (rpm, oil, temp, volt, hour)
5. Each circuit with dedicated circuit breaker
6. Anti-corrosion bonding system, w/transom zinc plates
7. Marine air horn, dual trumpet
8. Alarm system (audio, volt, temp)
9. N/L 8Kw generator, w/sound shield, muffler, gauges, gas smoke separator
10. 2500W Heart Freedom inverter/charger, with remote panel
11. 9 cu/ft Nova Cool refrigerator

12. 12VDC lighting for interior and exterior
13. International running lights
14. Prewire for stereo and speakers
15. TV/Phone connections
16. Shore power inlet: 50A x 1
17. Outlets for: engine room, cockpit, salon, galley, pilothouse, fly bridge, master/guest/child cabins, master/guest heads
18. Battery cutoff switch, parallel switch: manual and automatic
19. Battery select switch
20. True Charge 40Amp plus 3 bank battery charger
21. Central vacuum system
22. GE washer/dryer, (stacked)
23. Newmar GI isolation transformer
24. Reverse polarity alarm
25. GFI outlets for shower and galley
26. SS junction box in rudder room
27. Bow thruster 11HP, Side Power
28. Complete owner's manual

5. Fly Bridge

1. FRP molded helm console
2. Electronic controls
3. Stainless steel steering wheel
4. Full engine gauges, trim tab indicator
5. Engine alarm system (high temp, low oil)
6. Engine hour meter, volt meter
7. Madrona lined dash board
8. Helm side switch panel
9. DC water proof outlet
10. Compass
11. Intercom
12. Refrigerator & wet bar
13. S/S railing around aft deck
14. Stereo speaker wiring
15. Extended aft deck
16. Seating with vinyl cushions
17. Storage under seats
18. Table
19. Todd helm seat

6. Salon

1. Teak and madrona interior
2. Custom wood inlay décor
3. Soft vinyl headliner
4. 12V Ceiling lights
5. Frameless windows
6. Salon light tinted windows
7. Teak valance, w/drapery
8. Rope light in valance
9. AC & DC switch boards
10. 220v or 110v outlet
11. Entertainment center for TV cabinet
12. Settee along the port side with arm rests and end table storage under
13. 2 x barrel chairs with a small end table between
14. Intercom
15. Adjustable hi-low teak table
16. Cabinets and drawers
17. Wet bar, w/sink, single faucet, black marble countertop
18. Ice maker and bottle storage cabinet
19. Carpet
20. Stair light
21. Stainless steel sliding doors to cockpit
22. Air vent wood grates

7. Galley

1. Refrigerator, Ac/Dc type
2. 3 burner cook top, Kenyon B4056
3. Combination convection/microwave oven
4. Exhaust fan
5. Pressure water supply, w/gauge
6. Cabinet and drawers
7. Granite countertop
8. Double S/S sink, w/overhead light
9. Hot/cold single faucet
10. Light over cook top
11. Dish cabinet
12. Grab rail at stair side
13. Cutting board
14. Trash compactor

15. GFI outlet
16. Teak & holly floor in galley
17. Settee

8. Master Stateroom

1. Over sized Queen double bed, w/6" foam mattress, rope lights around
2. Mirrored back wall and overhead detail above bed
3. Drawers under bed
4. Walk-in hanging locker
5. Cedar lined hanging locker, w/auto light
6. Entertainment center prewire for TV cable & antenna, stereo speakers
7. Reading light x 2
8. Soft vinyl headliner
9. S/S porthole, w/drapery, fly screen
10. Ceiling light x 6
11. Fluorescent light in valance
12. Carpet
13. Vanity with seat or stool

9. VIP Stateroom

1. Soft vinyl headliner
2. Ceiling lights
3. Large size double bed, w/5" foam mattress, indirect lights around
4. Drawers under the berth
5. Cedar lined hanging locker, w/auto light, full length beveled mirror inset on door
6. TV cabinet w/wiring for cable and antenna, stereo speakers
7. Door to head & shower
8. Carpeted
9. Reading light x 2
10. Recessed, S/S port hole, w/drapery, fly screen
11. Quiet flush head, sea or fresh water
12. Separate door to head

10. Guest Room

1. Twin bunks, with hanging & TV locker
2. Cedar lined hanging locker, auto light
3. Reading light x 2
4. Soft vinyl headliner
5. 12V ceiling light
6. Carpeted floor
7. Recessed ,S/S porthole, w/drapery, fly screen

8. Book shelves

11. Heads & Sanitation System

1. Black granite countertops
2. Sink, with hot/cold water single faucet
3. Medicine cabinet w/mirrored doors, lights
4. AC 220v or 110v outlet, GFI type
5. Recessed, S/S porthole with drapery
6. Marine electric toilets, Quiet-Flush house type
7. 12v overhead lights
8. Separate stall shower
9. Hot/cold water shower head
10. Shower w/auto sump pump
11. Shower seat
12. FRP non-skid for shower floor
13. 80G holding tank, w/macerator, Y valve
14. Lowered mirror ceiling with indirect lighting and exhaust vent
15. Exhaust fan
16. FRP finished interior for shower
17. Lowered mirrored ceiling with indirect light and vent behind
18. Quiet Flush heads, sea or fresh water

12. Deck Hardware & Outfitting

1. Bottom anti-fouling, International, black feature and boot stripes
2. 316# S/S hand rails, 1-1/4" rail and stanchions
3. S/S flag staff
4. S/S anchor roller
5. Maxwell VWC-2200 anchor winch mounted below deck
6. Dual direction anchor winch controls, 3 station
7. S/S combination hawse pipe cleats: mid-ship and stern
8. White PVC rub rail, w/SS insert
9. Chain locker, w/washing faucets (sea water & fresh water)
10. FRP molded non-skid decks
11. Forward front windows x 3
12. Ventilation hatch in the pilot house overhead
13. Wiper and washer system for forward windows
14. Escape deck hatch at fore deck, sun pad
15. Recessed SS portholes
16. Deck lights, running lights
17. 18. S/S Transom doors, port & starboard with lexan insert

18. Hot/cold water shower at transom
19. Sea water down system with automatic pump
20. Shore power, TV/Phone, water inlets
21. Wide swim platform, w/SS stripe around and 3 x 2" S/S support rails, middle on opens.
22. Large storage locker with access thru transom door
23. Fold out hatch for swim ladder

OPTIONS FOR 50' Enclosed Bridge

- (1) 535 hp Cummins
- (2) 635 hp Cummins
- (3) 12 kw Northern lights, w/ sound shield, also includes air conditioning, split type w/ digital controls
- (4) Low profile davit, mounted on foredeck, w/ chocks
- (5) Bow thruster, 10", 11 hp, Side Power
- (6) Shaft tunnels
- (7) Prewire and plumb for heating system
